

Homeland Security Symposium & Expo

Artificial Intelligence, Data Analytics, and Emerging Threats

Christopher Newport University | March 17-18, 2026

This conference provides high visibility to a key executive audience. The program includes high-level speakers from government and industry to explore the latest advancements, insights and issues in homeland security and homeland defense.

- Attendees include representatives from private industry, government, and academia from across the country.
- Proceeds will support CNU's Center for American Studies.
- For additional information or to sign up as a sponsor, please contact Dr. Nathan Busch at (757) 594-8498, or nbusch@cnu.edu.
